

# Service With A Purpose • July 17-22, 2022

## A week of service in Milwaukee, formerly known as Reach Out Reach In

**Service With A Purpose** is an opportunity for high school youth

- To gather with a group of teens who want to serve in the city of Milwaukee and form lasting friendships
- To learn about and serve at the many community organizations that work to meet the needs of the poor and vulnerable in the city
- To discover the two feet of social justice by finding the root causes of injustice that need our voices for change.

## Service With A Purpose invites teens...

- who are 15-18, who have completed 9<sup>th</sup> grade, come to **SWAP** out a week of your usual activities for a week of purpose as we serve to answer Jesus' call in many ways, meeting the needs of children in special programs, painting, landscaping, weeding, learning about our environment, caring for the elderly, and so much more! You will choose one place to serve for the week.
- to **SWAP** out the comforts of home for living more simply in community. This brings us in solidarity with those we serve. We eat amazing meals together, limit showers to one per day, and abstain from TV, cell phones, and other media. You can do it!
- to SWAP out TV and cell time with getting to know Jesus better through Scripture reflections and prayer and by exploring the principles of Catholic Social Teaching in new and creative ways!
- to look deeper into your heart and **SWAP** selfishness for generosity, **SWAP** indifference for kindness, **SWAP** apathy for understanding, **SWAP** frustration for patience, and most of all, **SWAP** a closed mind for an openness to the blessings of knowing the meaning and purpose of the call to serve as Jesus did?

**If YOU accept this invitation,  
your generosity will come back to you!**
